

How to Authenticate This Official PDF Transcript

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or Adobe® Reader. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by “Parchment, Parchment” with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The Blue Ribbon Symbol: The blue ribbon is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

Invalid: If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Author Unknown: Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

Eastern Connecticut State University is accredited by the New England Association of Schools and Colleges, the Connecticut Board of Higher Education, and the Connecticut State Department of Education.

COURSE LEVELS

0-99	Remedial Courses – Do Not Earn Credit Towards Graduation
100-499	Undergraduate Courses
500-699	Graduate Courses

EXPLANATION OF UNDERGRADUATE GRADES

Grades	Grade Points
A	4.0
A-	3.7
B+	3.3
B	3.0
B-	2.7
C+	2.3
C	2.0 Satisfactory
C-	1.7
D+	1.3
D	1.0 minimum passing performance
F	0.0 Failure – no credit
I	0.0 Incomplete
CR/NC	0.0 Credit/No Credit
AU	0.0 Audit
W	0.0 Withdrawn
NR	0.0 No grade reported
WP	0.0 Withdrawn – Passing
WF	0.0 Withdrawn – Failing

Incompletes – An official grade of “F” will be recorded if grades are not submitted by the deadline.

No Reported Grades – An official grade of “F” will be recorded if grades are not submitted by the incomplete deadline date.

Credit/No Credit Courses – If the student's work is above passing, the course is recorded on the permanent record (CR) and credit given. If the student's work is below passing the course is recorded on the permanent record as no credit (NC). In both cases the grade is not included in computing the GPA. An asterisk (*) following the CR/NC grade designates a student selected credit/no credit option.

Prior to Fall 1988 a credit/no credit course below passing was not recorded on the student's record.

Repeating a Course – All repeated courses appear on the student's record although the course may be applied to graduation requirements only once. Prior to Fall 1993 all repeated courses were used to calculate the GPA. From Fall 1993 to Fall 2004, only the grade for the second and subsequent attempts were used to calculate the GPA. Commencing with Fall 2004, the higher of the two grades are used to calculate the GPA.

FRESH START OPTION

Effective Fall 2012, students who are readmitted to Eastern Connecticut State University after an absence of at least 3 academic years, have a cumulative GPA of less than 2.0, and have completed fewer than 60 credits are eligible to elect the Fresh Start Option. A student readmitted under this option will be given the equivalent of transfer credits for all courses taken at Eastern with a grade of C- or higher. Grades are indicated with an asterisk (*) prior to the grade and are removed from the GPA. In addition, any courses taken at Eastern with grades lower than C- will not be counted in total credits earned. A student may invoke the Fresh Start Option only once.

GRADE POINT AVERAGE

The grade point average is obtained by dividing the total number of quality points earned at Eastern Connecticut State University by the number of semester hours attempted for grades. Grades for courses transferred to Eastern are not included in the Eastern Connecticut State University grade point average.

DEAN'S LIST

Dean's List is granted each fall and spring semester to full-time matriculated undergraduate students with a semester GPA of 3.50 or higher. Students must have completed at least 12 credits in letter-graded courses during the semester and have no incompletes. However, full-time students in student teaching or University-designated credit/no credit, practica or internship courses, and lacking 12 credits in letter-graded courses may qualify if they have earned a grade of CR and have a cumulative GPA of 3.50 or higher, including the semester in question. Students with Incompletes are evaluated for Dean's List eligibility when incompletes are changed to final grades. Dean's List is granted to matriculated part-time undergraduate students who accumulate a minimum 15 credit block of courses and have an earned grade point average of 3.50 or higher within the block. All grading rules that apply to full-time Dean's List apply to part time Dean's List recipients.

GRADUATING HONORS

Undergraduate students graduating with cumulative grade point average of 3.50 or higher for all course work completed at Eastern and who have completed 45 credits in residence at Eastern are recognized with the following designations:

Average of 3.50 – 3.69	Cum laude
Average of 3.70 – 3.89	Magna cum laude
Average of 3.90 – 4.00	Summa cum laude

Undergraduate students who have achieved a 3.50 or better cumulative grade point average but have not completed 45 credits in residence at Eastern, will receive the Dean's Distinction Award.

HONORS PROGRAM

Honors scholars who earn a 3.5 or higher cumulative GPA and complete required Honors courses earn the transcript notation of University Honors Scholar.

COOPERATIVE EDUCATION

An optional work study program in which students may complete one or more semesters of cooperative education employment experiences. Credit for Co-op courses does not count toward graduation. A grade of NR is recorded.

LIBERAL ARTS WORK

This is a structured pre-professional undergraduate experience that is completed prior to graduation.

GLOBAL SCHOLAR

Students complete required course clusters and a significant independent global or intercultural service project.
